Carded Coach Breakfast - Heiko Salzwedel

Heiko Salzwedel - International Guest Speaker
"International High Performance Systems"
Comparisons with Australia-UK-Germany and Denmark

Heiko has worked extensively at the Australian Institute of Sport as the Road Cycling Head Coach before moving back to Europe and working in the British Cycling Programme. As a German national Heiko has an excellent insight into their high performance programme and likewise in his current role as Assistant Track Coach to the Danish National team. Heiko is a world wide presenter for SRM and is frequently requested to conduct coaching programmes for developing nations as part of the UCI international support.

This is a unique opportunity to listen to a world practitioner that has gained valuable experience and success working with the best high performance programmes in the world.
